Revised December 2025

The only one in the Tohoku area!

"More than 100 people can enjoy multiple experiences indoors at the same time."

- Feature 1: The entire facility can accommodate up to 250 people.
- Feature 2: Participants can choose from multiple experiences even during the same time slot
- Feature 3: The largest number of experiences in Miyagi Prefecture

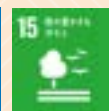

1. Bamboo Chopstick Making Experience

Student groups

☐ POINT

2,200 yen (tax included)

General
organizations

We are holding a bamboo chopstick making experience using "smoked bamboo from Matsushima Town"! In Matsushima, one of Japan's Three Most Viewed Places, bamboo is used to make oyster racks. If bamboo is not cut down regularly, it will become uneven, and its use is also necessary to preserve the landscape. Why not enjoy the experience while thinking about efforts to protect Matsushima's environment?

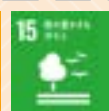

MICE

2. Kokeshi Doll Painting Experience

Student groups

☐ POINT

2,200 yen (tax included)

General
organizations

How about trying the experience of making your own original kokeshi doll? At Matsushima Rikyu, you can learn about the various kokeshi styles in Miyagi Prefecture while making your very own kokeshi doll. Our staff will provide you with careful support, and your completed kokeshi will be presented to you in a special bag made using the paper strips of paper used in the Sendai Tanabata festival. This experience, where you can learn about the styles of kokeshi dolls and receive a special bag, is a special edition only available at Matsushima Rikyu in Miyagi Prefecture!!

MICE

3. Making a gold leaf herbarium ballpoint pen

Student groups

☐ POINT

2,200 yen (tax included)

General
organizations

In addition to flowers, you can also add Sendai Tanabata washi paper, oyster shells, natural stones, and more (Sendai Tanabata Washi Project, Miyagi Oyster Shell Project). It contains gold leaf from Miyagi Prefecture (Wakuya Town), where gold dust was first mined in Japan.

4. Making Bath Bombs and Bath Salts

Student groups

☐ POINT

2,200 yen (tax included)

General
organizations

Take a salt bath on a new moon or full moon day to ward off evil spirits. Use sacred salt from Shiogama Shrine, natural stones, and herbs to create your own original bath bombs and bath salts. Color cupcake molds and gachapon capsules to create your own unique bath items, making them fun even for children. Create special bath items with your friends.

5. Make your own coaster using colorful tiles

General
organizations

☐ POINT

2,200 yen (tax included)

In this tile art experience, you can freely combine your favorite tiles or original tiles to create a one-of-a-kind coaster. You can enjoy unique designs using your favorite colors, and it's recommended for families. With a wide range of color options and the ability to use original tiles, you can have more freedom in your design.

6. Fox or Cat Mask Painting Experience

General
organizations

☐ POINT

2,200 yen (tax included)

This is an experience where you can paint a one-of-a-kind fox or cat mask that can be enjoyed by people of all ages, from children to seniors. Choose your favorite mask and design it however you like using a variety of art supplies, Sendai Tanabata washi paper, and rhinestones. Why not create your own original mask and enjoy a special and memorable experience?

7. Making food samples

Original seafood bowl

☐ POINT

2,700 yen (tax included)

In this experience, you will use realistic food samples to create a seafood bowl memo stand. Food samples realistically recreate the appearance of dishes and are used as part of menus. This is a fun experience that will have everyone, from small children to adults, smiling and saying, "That looks delicious!" Why not make your own unique food sample and display it on your desk or in your room?

8. Original pot stand made with zelkova wood frame and tiles

General
organizations

☐ POINT

3,200 yen (tax included)

In this experience, you will create your own original trivet using colorful tiles and a frame made from Miyagi Prefecture's prefectural tree, "zelkova." Choose your favorite design from a wide variety of tiles and create your own special trivet. Every time you cook, you will be reminded of the fun memories of this experience.

9. Marble Art Experience

General
organizations

☐ POINT

2,700 yen (tax included)

In this experience, you can enjoy colorful marble art using a patented technique originating from Iwate. This is a new craft that uses a single wire to hold the marbles in place, creating a unique work of art without using any adhesives. Enjoy a fun time creating your own original work with your family and friends.

10. Natural Stone Maneki-neko Painting Experience

General
organizations

☐ POINT

2,700 yen (tax included)

In this experience, you will paint a lucky maneki-neko (beckoning cat), a lucky charm that brings good fortune, with pens and colored pencils, and decorate the bell with a natural stone of your choice. This is an experience that can be enjoyed by people of all ages, from children to seniors, and you will be able to create your own original maneki-neko. Why not spend a special moment enjoying this cute art that brings good fortune?

11. Kimono Dressing Experience in Matsushima,

One of Japan's Three Most Viewed Places

☐ POINT

6,600 yen (tax included)

General
organizations

MICE

During this kimono dressing experience, you can try on a 3-way original kimono from the "Konohanasakuyahime" brand, designed by a dress designer. Why not stroll around the historic town in a kimono with your partner or friends? You can eat and drink inside the facility while wearing your kimono. You can also have your own custom-made kimono made to order. It's a special experience that lets you casually experience Japanese tradition.

12. Matsushima, one of Japan's Three Views: Hidden Sights Guide (60 minutes)

☐ POINT

3,000 yen per person
(tax included)

General
organizations

MICE

The "Matsushima History Exploration Course: Visiting Oshima and Hidden Sights" is a guided walking tour that allows you to experience the history and culture of Matsushima, one of Japan's Three Most Viewed Places. By visiting hidden sights and sacred sites, you can rediscover the profound charm of Matsushima.

60-minute course: Matsushima Imperial Villa ⇒ Oshima Island (Bafujuken, Raiken Monument, Kenbutsudo, Shinju Inari Shrine, etc.) ⇒ Shinzan Jizo ⇒ Matsushima Imperial Villa

13. Matsushima, one of Japan's Three Views: Hidden Sights Guide (120 minutes)

☐ POINT

6,000 yen per person
(tax included)

General
organizations

MICE

The "Matsushima History Exploration Course: Visiting Oshima and Hidden Sights" is a guided walking tour that allows you to experience the history and culture of Matsushima, one of Japan's Three Most Viewed Places. By visiting hidden sights and sacred sites, you can rediscover the profound charm of Matsushima.

The 120-minute course includes all the content of the 60-minute course, plus hidden spots such as Hiyoshi Sanno Shrine, Tenrin-in Mausoleum, and Green Plaza, allowing you to fully enjoy the charm of Matsushima, where history and nature blend together.

14. [Fully Customizable] Matsushima Guide in Collaboration with Universities in the Prefecture

☐ POINT

6,600 yen (tax included) / per university student

*Separate lunch reservations are required.

Student groups

This experience will be conducted in collaboration with Tohoku University, Miyagi University, Tohoku Gakuin University, and other universities, and will provide interaction with university students as guides through Matsushima. The tour is fully customizable based on what you want to learn, and you can deepen your interactions by having lunch with the university students before the tour. Through explanations of Matsushima's history, natural environment, SDGs, and more, you can learn about welfare perspectives and environmental science, while also having the valuable experience of listening to the stories of university students of a similar age.

As this is a fully custom-made service and requires coordination with the university, reservations must be made at least six months in advance.

NOTICE
